

Product Bulletin

BULLETIN NO.: 082407
DATE: August 24, 2007
SUBJECT: 3500 Series Protective Covers with Part #'s

EcoWater is currently accepting orders for a protective cover for the 3500 and 3502 Series conditioners and refiners. The covers are designed to fit snugly over the conditioner/refiner, offering protection for the valve and electronics.

Product Features:

The cover (shown below) is made from an 18-ounce vinyl-coated polyester fabric, typically used as boat canopy covers in marinas, which:

- Offers protection from ultra violet rays
- Is mildew-resistant
- Attaches in the back of the unit, using a Velcro® strap
- Is EcoWater branded

Part Number and Pricing:

Cabinet style cover (ECR/ERR 3500 Series) #0602884 \$19.00 each, plus shipping

Two tank style cover (ECR/ERR 3502 Series) #0602885 \$15.00 each, plus shipping

Note: 3502 Series (two-tank) style cover is for the valve and electronics only, not the salt tank.

Availability:

Covers are now in stock and available for immediate shipping. Place your orders online, via e-mail or via fax.

NOTE: Regular ordering policies apply, including \$100 minimum parts order and shipping times.
